The race has not begun yet, but Televerus is ahead of the crowd and the technology light years ahead. They have SIM Cards and Sprint MiFi. Customers are reporting excellent customer service and a Robust Platform. The New Nokia E71 Trumps The Iphone

The Leading Online Travel Superstar seems to be leading the race in another industry "wireless mobile voip" . Their Underlying Voip Carrier and partner owns their own voip network and are pioneers in the industry.

Global Verge, Fdi and 5Linx can't even compare. These guys are getting a great response from the MLM community and heavy hitters are joining daily.

They are highly adapted and well put together and rumor has it the The president Dave Manning is poised to be the Next Billion Dollar Ceo.

Get Unlimited Talk, Text and the whole 9 yards For \$2495, Coverage in WiFi Areas. You can also use any GSM SIM Card. Combine your home phone with a Cell Phone for the Same Price of 24.95 A/month.

No Activation Fee! No Commitment! No Credit Check No Contract! No Added Taxes or Fees!

Their Nokia E 71 has been talked about as the most advanced smartphone.

Network Marketers are considering this the Grand Slam Business of the decade and they have already proven themselves as the leader in the Travel Industry which is far bigger than Telecom at 7+ Trillion Dollars.

It's only 99 to join this company in comparison to Fdi 295 and Buzzirk 199. this is a Joke. You also get your Travel Agent portal. People are so happy with the service. Reports say the phone comes hooked up ready to go with all the bells and whistles. It's what entrepreneurs and consumers have been waiting for since the failed launch of Global Verge and Buzzirk On July 1.

They really put a bad name to the industry and have arisen many being scared of Telecom MLM .

Traverus is in a league of its own. No one can compare to the 3D comp plan that has the reps jumping for joy and retiring in the hundreds off the travel alone. The telecom , many say will be the cream of the crop in MLM and Wireless industry that has ever been seen.

They have produced while many failed. They have regained consumer and Networkers trust again and are selling the phones worldwide in the thousands.

The company also does internet marketing and has a intense daily training system.

They are providing a home for any leaders or open minded individuals to take part in the Wifi revolution that is about to create Fortunes for those who position themselves at the right place at the right time.

Are you in or out?
