Statistics state that 74% of all individuals who have acquired huge wealth have done it by being self-employed business owners. When surveyed, 96% of people between the ages of 25 and 44 said they wanted to have their own business, but they just didn't know how to get started! Small and home-based businesses are the fastest growing segment of the U.S. economy. Home-based travel sellers are the fastest growing segment of the travel agency community. With the large and mid-sized companies laying off people and cutting back, corporate America is no longer a stable place to be. Everyone is looking for a home-based business that can be the high performance vehicle that takes him or her into the future along with major savings in tax advantages. Traverus is going to be YOUR home-based business vehicle!
